

**AMENDMENTS TO THE DRAWINGS:**

The Office Action dated June 5, 2003, includes a Notice of Draftsperson's Patent Drawing Review, which apparently indicates that Figs. 2-4 contain "[l]ines, numbers & letters not uniformly thick and well defined, clean, durable, and black (poor line quality)."

Applicant has submitted three (3) formal replacement drawing sheets that contain Figs. 2-4, which have improved line quality so as to be in full compliance with 37 C.F.R. § 1.84(i).
